What Affects Pricing

- Number of servings
- Design complexity
- Flavor selections
- Delivery & setup requirements

Every cake is thoughtfully designed to reflect your celebration. Final quotes are provided after consultation to ensure every detail is perfectly tailored to your vision.

Joyful Collection

Designed for the modern celebration, the Joyful Collection offers a fresh take on wedding desserts with beautifully styled cake bites and cupcakes.

Cake bites can be styled in elegant, tiered displays or served individually alongside a 6" cutting cake for your special moment. Cupcakes add height, texture, and variety, creating a visually stunning and guest-friendly experience.

Beyond the visual appeal, this collection is thoughtfully designed for ease and enjoyment. Whether displayed or individually served, dessert service is smooth and efficient — allowing guests to enjoy each bite without the delays of traditional cake cutting.

Signature Setups
